

The Fix Is In – Spay/Neuter Clinic – 715-256-8555

NIGHT BEFORE SURGERY:

- **Keep your pet/s indoors** the night before surgery.
- **Walk your dog on leash** the night before surgery.
- **Food and water:**
 - If your pet is OVER 6 months old: NO FOOD OR TREATS after midnight, water is okay.
 - If your pet is LESS THAN 6 months old: s/he may have food and water overnight and a light meal (about 1/3 of his/her normal portion) at 6:00 am the morning of surgery.
- **Bathe your pet if dirty:** Your pet cannot be bathed or swim for 10 – 14 days after surgery.
- Clean and label cat carrier/s (see below).

DAY OF SURGERY – Arrive at 8:45 am

- **All cats MUST be in CLEAN carriers:**
 - One cat per carrier (no toys, collars, harnesses, leashes, etc.)
 - Make sure carrier is large enough – can your cat lay on its side INSIDE the carrier for recovery?
 - Label each carrier with cat's name and your last name.
 - No carrier? Let us know before clinic day.
 - Line the carrier bottom with a throw away towel or newspaper in case of an accident.
 - If your cat is not in a carrier you will need to purchase a cardboard carrier (\$5) for the cat to go home in.
 - For safety, please do not take your cat out of his/her carrier.
- **All feral/barn/outdoor/community cats and kittens must arrive in a humane trap:**
 - One cat per trap.
 - Label each trap with cat name (or number) and your last name.
 - Label each trap with trap weight (when empty)
 - Cover trap with a sheet or towel from the time the cat is trapped until the time s/he is brought to our clinic. This will help the cat feel safer and less frightened.
- **All dogs must be on a leash at all times.**
- **Walk your dog! : Before** you arrive at the clinic, allow plenty of time for urination and defecation. Your dog will be more comfortable and surgery will be easier.
 - You will need to leave your dog in the car until instructed to bring it inside.

PET PICK-UP & ADDITIONAL FEES

- Pick up time will be announced in the morning. Please be on time for pick up.
- Be prepared to pay for additional services added during the day, such as a hernia repair, retained testicle removal, antibiotics, tapeworm treatment, ear mite treatment, flea treatment. You will be notified by phone if an additional service is required for your pet.
